GENERAL SECTT. 23 MAR. 1936

SIR,

Hospital stoppage charges of the Maternity Hospital, Bangalore, for the period from Decr.29 to Feb.33.

I have the honour to state that, during the recent Local Audit of the accounts of the VaniVilas Hospital, Bangalore, it was observed that a sum of Rs.1116, as detailed in the margin, was outstanding in the books of the Hospital towards stoppage charges due by patients who remained in the Hospital during the period from Decr.29 to Feb.33. In reply to the objections raised in the previous Audit reports of the Institution, it was replied by the Lady Medical Officer that action was being taken for recovering the dues.

December 29	Rs. 182	8	0
Septr.30 to Septr.31	808	0	0
Octr.31 to Febr.33 ...	125	8	0
Total Rs.	1116	0	0

From the records examined in the recent audit it was observed that reminders had been issued to the parties demanding payment of dues only in November 33 in some cases and in December 33 in a few others and that no action had been taken subsequently.

2. In respect of the balance of Rs.182-8-0 due by the patients for December 29, Government desired the Senior Surgeon, in their order No. 3929-30/Med.28-33-5, dated 7th December 33, to persue the matter till the full amount due was recovered.

3. In regard to the balance of Rs.808 due by the patients for the period from September 30 to September 31, it was assumed by the Lady Medical Officer, in her letter No.399, dated 21-11-33, to this office, that a statement of fees due by individual patients would be submitted to the Senior Surgeon for further action. Till the date of recent audit

audit, no action had been taken.

4. With regard to the sum of Rs.125-8-0 representing the arrears of stoppage charges due by some patients for the period from October 31 to February 33, it was replied in the Audit report for the period that action was being taken to collect the fees.

5. As arrears of Government Revenue have been allowed to remain unrecovered for a very long time and a consideable portion of the dues may become irrecoverable in course of time, if no action is taken for the recovery at once, the matter is brought to the notice of Government for such action as they deem fit to take.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.

With reference to your letter No. J.8401/Med.261-35-2 dated 14-4-1936, I have the honour to state that the orders of Government communicated in No.3929-30/Med.28-33-5 dated 7-12-1933 were duly communicated to the Medical Officer, Vani Vilas Hospital, Bangalore with instructions that particular attention should be given to the recovery of the amounts outstanding under Hospital stoppages. The Medical Officer reports that she has so far been able to collect only Rs.56-8-0 out of the amount of Rs.808-0-0 outstanding from December 1930 to December 1931. Vani Vilas Hospital Bangalore. Delay in the recovery of arrears of Hospital stoppage charges.

In the course of Local Audit of a Medical Institution it was observed that a sum of Rs.1116 was outstanding as arrears on account of Hospital stoppage charges due by certain patients for the period from December 29 to February 33. Out of this a sum of Rs.182-8-0 related to December 29, Rs.808/- to the period from September 30 to September 31 and Rs.125-8-0 to the period from October 31 to February 33. In reply to the objections raised in the previous Audit report of the Institution it was replied by the Medical Officer that action was being taken for recovering the dues. From an examination of the records in the recent audit of the Institution it was observed that prompt measures were not adopted in the matter of periodical reminders to the parties from whom the dues are recoverable and recovering the dues. As arrears of Government dues have been allowed to remain unrecovered for a very long time and a considerable portion of the same is likely to become ~~inrecoverable~~ irrecoverable in course of time the matter was brought ~~mx~~ to the notice of Government for such action as they deem fit to take and their orders are awaited.

As already reported in this office No. G.C.260-1 dated 18-5-37, the Medical Officer, Vani Vilas Hospital, Bangalore was instructed to pay particular attention for the recovery of these outstandings. As will kindly be seen from the copy of the letter No.88 dated 20-8-37, received from the Secretary to the Hospitals a sum of Rs.98/- out of the outstandings of Rs. 1171-4-0 is reported to have since been recovered. A sum of Rs. 33/- due from persons living outside Mysore State is recommended to be written off the accounts as the parties are not ~~easily~~ traceable. Letter No.508 s.s. dated 6-6-1938, from the Secretary, Victoria, Minto and Vani Vilas Hospitals, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

In continuation of this office No.2357 dated 25-1-1938 submitting statements showing the amounts of arrears of Hospital stoppages of the Vani Vilas Hospital, Bangalore which have become irrecoverable for the period from December 1929 to February 1933, I have the honour to submit herewith further statements showing the particulars of arrears for the period from February 1933 to December 1936 which also have become irrecoverable. During the period under report, a sum of Rs.1,194-0-0 was outstanding payment as per audit objections, out of which sums aggregating to Rs.669-12-0 have since been recovered. A sum of Rs.227-4-0 was a claim made by oversight which has now been corrected in this office records, leaving a balance of Rs.297-0-0 still to be recovered. In this connection I beg to state that all the defaulters have been served with memos under Certificate of Posting with the intimation that legal action will be taken, failing their settlement of the outstandings within ten days from the date of receipt of the memos and also have been reminded. A number of these memoes have been returned since the whereabouts of the parties are not known and they have been enclosed herein for kind perusal.

260-8-0

Under the circumstances, I submit herewith Statement No.1, showing the particulars of patients whose arrears aggregating to Rs.209-12-0 (B) have to be written off the accounts since their whereabouts are not known as all the reminders addressed to them are returned unclaimed and there are reasons to believe that no payment could be expected.

297-0-0
260-8-0
36-8-0

Statement No.2. As per this statement a sum of Rs.50-12-0 is (A) outstanding recovery and the demand notices addressed to the parties have neither been returned unclaimed nor replies to. Under the circumstances, I recommend that legal action may be taken against these parties in consultation with the Government Advocate or outstandings which are small sums relating to different individuals may kindly be written off the accounts if the expenses that are to be incurred for filing suits were to exceed the amounts to be recovered.

In this connection, I beg to state that from January 1937 there are practically no arrears of Hospital stoppages to be recovered and every precaution is being taken to collect the fees then and there before the

the patient is discharged without allowing any arrears to become accumulated.

Government Order No. G. 3929-30/Med. 28-33-5 dated 9th December 1933 recording with ~~some~~ certain observations the report of the audit of accounts of the Vani Vilas Hospital, Bangalore from September 1930 to September 1931.

2. Correspondence ending with letter No. C. 1588 dated 3rd November 1938 from the Senior Surgeon reporting on the action taken to recover the outstandings on account of the hospital stoppage charges in the Vani Vilas Hospital, Bangalore, from December 1929 to end of December 1936.

Order No. G. 7490-4/Med 261-35-7

Dated Bangalore, ~~28th January 1939~~ 4-2-39.

It is seen from the statments received from the Senior Surgeon that out of a total sum of Rs. 2,365-4-0 involved on account of hospital stoppage charges in the Vani Vilas Hospital from December 1929 to the end of December 1936, a sum of Rs. 1,135-8-0 has been collected and action is being taken to collect a sum of Rs. 391-0-0, leaving a balance of Rs. 838-12-0 as shown in the annexed statements. Out of the last amount it is reported that a sum of Rs. 788 has become irrecoverable in spite of the issue of demand notices and the Senior Surgeon requests that the sum may be written off the ~~amounts~~ accounts. As regards the balance of Rs. 50-12-0, consisting of several small items, he solicits orders whether legal action may be taken for their recovery or whether this amount also may be written off the accounts.

2. Government are constrained to observe that the amount proposed to be written off is large and that the loss could have been avoided or at least reduced to a large extent if the prescribed rules for the collection of the charges had been followed. Government are however pleased to approve of the sum of Rs. 838-12-0 being written off the accounts.
